The National Motorcycle Museum, (NMCM) is dedicated to the preservation and exhibition of the history of motorcycling.

The NMCM will accept only items of the above nature that is able to care for and use in a manner acceptable to the museum profession at large. Any donation offer is subject to prior approval by the Board of Directors.

Property will be accepted for ownership by the NMCM only with the completion of the Deed of Gift Agreement. The NMCM will not take custody of or become responsible for property that does not satisfy all aspects of the following acquisition conditions:

1. Verification of donor's ownership and rights to dispose of the property.
2. Display of acquired motorcycles, memorabilia, etc. will be at the discretion of the NMCM based upon the content of the various topical displays installed at the museum. Collection objects may be used for exhibition, study, research, examination, or de-accession.
3. Agreement that the NMCM owns the property free and clear and has the right to exhibit, restore, store or de-accession it in anyway that the NMCM would see fit.
4. Proper transfer of existing legal vehicle documents to the NMCM.

Gifts to the NMCM may be tax deductible as charitable contributions; however, it is the donor's responsibility to secure appraisals to support deductions (see current IRS policy). The NMCM assumes no responsibility to appraise donations for tax purposes.

I acknowledge that I have read the Collections Policy as stated above.
